Brace yourself ladies & gentlemen. You all are about to witness how our system is trying to silence these children's voice. Watch as they try to paint 1 of the most kind loving people & fathers as a criminal all because he was speaking up for innocent kids !! Our system doesn't care that they are setting up innocent children for a lifetime of accepting abuse because their abusers get away with no criminal charges all while the children mentally & physically suffer.

~There is absolutely NO EXCUSE 4 CHILD ABUSE !!

\* Instead of pressing charges on their abusers, our system cares more about pressing charges on the only voice they have. I care so much about these kids that i am willing to put my own freedom on the line just to speak up for them when they need it most !! Someone has to care about these innocent kids because our system obviously doesn't care about them at all

Lets see the black and white of A gender biased system.. Mom has made a complete joke of our judicial system for yrs & our system enables it.

The father was told on 7-9-19 at court there was a bench warrant issued yet it didnt get put into motion until "I" brought it to a detectives attention on 7-11-19, also the cops don't know where to find mom but i do which i had to tell them.. smh. will they go get her or will i also have to contact the other county to inform them 🤔

~pointing out holes in our system & doing their jobs for them.. hmm... shouldn't i be the one getting paid 🤔

Been a great day so far, nice visit to Bloomfield hills, payed my lawyer, had a great lunch & I put the next piece into place 🙏

~I just want everyone to know I'm doing this for the people, this isn't just about Killian & I.

I am being the voice for all the people of my city that are scared to speak up on a problem effecting so many of our families. For the fathers that deserve equal rights & most importantly for ALL the INNOCENT CHILDREN involved ❤️ ❤️ ❤️

I genuinely care about all you & your family's, I will be the voice you all need. God chose my son & I for a reason 🙏

\*i just looked at our business cards,..it appears ..
